Trade Stand Entry Fees

Trade stand prices and sizes are available as per the Booking Form. We also by way of the PA announcements and occasional interviews with the traders draw attention to trade areas. It is both important to us and in our interest that you are successful over the Weekend. Your trade entry specifically permits only sufficient staff to man your stand. Space is in great demand, the facilities provided do not cater for the presence of non essential personnel. Such persons will be required to pay the normal visitor entry fee. We want you to enjoy your weekend with us and we appreciate traders complete co-operation in this respect. .
